

TEAM ORION[®] IQ POWER

advantage

ULTRA COMPACT AC POWER SUPPLY

INPUT

AC 100-240V 50-60Hz
to connect to
mains power source

OUTPUT

DC 14V $\approx$ 16A (Max. 220W)
for (nominal) 12V chargers

Warranty

Team Orion guarantees this product to be free from manufacturing and workmanship defects. The warranty does not cover incorrect installation, components worn by use, or any other problem resulting from incorrect use or handling of the product. No liability will be accepted for any damage resulting from the use of this product. By the act of connecting and operating this product, the user accepts **all** resulting liability.

Is considered incorrect use:

- Failure to follow instructions.
- Improper use of the product (abusive use, out of spec, etc.).
- Failure to adapt settings for proper function (improper connections, installation, setup, etc.).
- Overload, overheating (desoldering, melting, etc.).
- Running in inadequate conditions (damage or rust from rain, humidity, etc.).
- Improper maintenance (presence of dirt, etc.).
- Disassembly, modification by the user (modifying original connectors, wires, components, etc.).
- Mechanical damage due to external causes

Warnings

- Never leave the power supply unsupervised while it is powered on.
- For indoor use only.
- Never let children operate the power supply without supervision from an adult.
- Use the power supply in a well ventilated area, away from people and electrically conductive or inflammable materials.
- The power supply can become hot during use. Take great care before handling it.
- Risk of electric shock.
- Do not open or modify this unit.
